Lions Clubs International is the world's largest service club organization. We have more than 1.35 million members in more than 45,000 clubs worldwide.

Lions Clubs are autonomous. Each club may choose projects and activities that fit the lifestyle of its members and impacts the community the greatest.

Lions are everywhere. We're active men and women in more than 200 countries and geographic areas.

Lions have a dynamic history. Founded in 1917, we are best known for helping the blind and visually impaired. But we also volunteer for many different kinds of community projects - including caring for the environment, feeding the hungry and aiding seniors and the disabled.
