Possible Executive Session:
PUBLIC COMMENTS:
Mr. Mike Perillo complimented Public Works for the nice job they did on the resurfacing of the streets on the north side. He asked if grinding was standard procedure for the resurfacing. It is standard procedure.

Mr. Perillo again asked about the condition of the parkways along 79th in particular. Although we sometimes send our summer helpers to cut, the parkways are actually the responsibility of the property owner.

Mr. Perillo asked if we can assure him that all potholes will be filled this season. Mayor Wasowicz replied that we do our best with the resources and staff we have available. There are no guarantees.

Ms. Amber Lawn questioned the progress of the village’s dealing with the rat problem. She complained it appeared nothing was being done. Mayor Wasowicz explained that we have passed legislation that gives the village the teeth to require compliance on a number of maintenance items that will obstruct the food supply and deter the nesting of rats. If all residents, multi-family owners and business owners work together we will eventually be successful in controlling the problem.

Ms. Lawn also questioned the patching of a half of a street creating a considerably uneven surface. Public Work Director Joe Cekus replied that when he has leftover asphalt he uses it close by in areas that are particularly rough.

Ms. Edwina Gaskin offered that although she may comply with the rules to deter the rats, her neighbor may not and then her expenses would be for nothing. Mayor Wasowicz replied that the new code changes allow for tickets to be issued on private property as long as there is a valid complaint. Trustee Kuban added that we used to issue a warning with ten days to comply. Now we will be able to go straight to a $150.00 ticket. The public will have a grace period until August 1st, and a recorded call will be sent to notify as many residents as possible. A pamphlet is also being created to explain the processes and rules.

ADJOURNMENT:
The Chair will entertain a Motion: To Adjourn.

MOTION: Trustee Sparr so Moves:
SECOND: Trustee Warner

VOICE VOTE: All ayes.

Meeting Adjourned 8:25 pm.

Respectfully Submitted,
