Trustee Kuban commented that the first Employee Appreciation Luncheon was held on Friday, February 10th for village employees who work in the 7800 Archer building. The Finance Department, Police Department and members of the Roberts Park Fire Protection District on duty at Station 2 were all included. The luncheon was enjoyed by all.
Another luncheon for Public Works employees, the Economic Development team and the Building Department will be held on Friday, February 17th at the Public Works/Building Department Building.

BUILDINGS, ZONING AND ORDINANCES – Trustee Rich Sparr
It has come to Trustee Sparr’s attention that there are a few properties located in the TIF Districts that need to be reviewed for appropriate zoning classifications in order to agree with the village’s comprehensive plans for future development. Trustee Sparr will be reviewing those classifications with the assistance of Building Commissioner Ed Shilka so action may be taken to correct the zoning.

We are applying for a grant to reimburse expenses for work performed to remediate blighted properties. Obtaining this grant would help with the initiative to assist property owners who are unable to afford to bring their properties into compliance.

ECONOMIC DEVELOPMENT AND BUSINESS LICENSES: Trustee Oszakiewski
MOTION: Trustee Oszakiewski Moves: To approve the business license of X5 Cuts Co., a Barber Shop at 8403 S. Roberts Road in Justice, having passed all inspections and being in compliance with all codes and ordinances.
SECOND: Trustee Kuban
VOTE: Trustees Rusch, Kuban, Oszakiewski, Small, Sparr and Symonds, aye. All ayes. Motion passed.

Trustee Oszakiewski provided Economic Development Updates:
Since 2014, The Economic Development Planning Board members, including Matt Zarebczan, our Economic Development Director, Brittany Abrams, our Economic Development Coordinator, and I have been visiting business owners and business managers in town to help us better understand their particular business situations and needs and for us to share our economic development plans with them. The purpose of our visits is to provide two-way, face-to-face communication with as many businesses as we can. Suburbs like Tinley Park, Orland Park, Oak Lawn, Countryside and many others have been doing this same thing for years, and we know how successful their economic development efforts have been. As we continue to focus our efforts on Building Justice Together, we look to you as resources to support both our local businesses and our communication efforts to our valued businesses owners and managers.
In 2014, we began our visits to village businesses, but never logged them in. So in 2015, we launched the Synchronist System from ComEd, that many villages use to record their business visits and that year, we logged 60 visits. In 2016, we logged an additional 21 new visits. In 2017, we plan to schedule both new and follow-up visits and have already started the process.
Our next Economic Development Planning Board Meeting is scheduled for Thursday, February 16, 2017 at 7:00 pm in the Village Hall Board Room. All are welcome.

Also, please Save the Date; the Justice Chamber of Commerce Rib Fest is scheduled this year on Saturday, July 22, 2017 at the Lipinski Community Center.

MOTION: Trustee Symonds Moves: To accept the proposal from Twin Supplies, LTD, 1010 Jorie Boulevard, Oak Brook, IL 60523 to provide high-efficiency LED Lighting fixtures and lamps for a cost of $81,179.00 that will be fully funded through the DCEO Rebate Program, and further to entertain proposals from qualified contractors for the labor required to install the fixtures and lamps.
SECOND: Trustee Sparr
VOTE: Trustees Kuban, Oszakiewski, Small, Sparr, Symonds and Rusch, aye. All ayes.
Motion passed.

FINANCE AND INSURANCE – Trustee Ed Rusch Jr.
Trustee Rusch commented that Trustees, Department Heads and Kelly Zabinski met on Wednesday, February 8th from 5:00 until 9:00 pm to commence preparing the 2017 budget. Outstanding progress was made at that time but there is still work to do. Non-union salaries must be determined and revenues and expenses need to be fine-tuned. One more meeting will likely be required.

Trustee Rusch explained that $287,000.00 of the total in our payables being approved this evening are expenses for capital projects. Close to $17,000.00 of that amount will be reimbursed at 80% for the Tollway Engineering and the balance of $260,000.00 will be fully reimbursed by the IL Jobs Now Project. These expenses must be paid first, before they can be submitted for reimbursement.

MOTION: Trustee Rusch Moves: To approve payables numbers 1-42 in the amount of $43,380.59, recurring expenses of $181,243.36, TIF #2 expenses of $5,500.00, TIF #3 expenses of $210.00, MFT expenses of $6,035.58 and Capital Projects Fund expense of $287,377.88 for a total of $523,747.41.
SECOND: Trustee Kuban
VOTE: Trustees Symonds, Rusch, Kuban, Oszakiewski, Small and Sparr, aye. All ayes.
Motion passed.

Trustee Rusch added that the DCEO Rebate Program grant for LED Lighting is doubly effective since not only will all but the labor cost be reimbursed by the rebate, but the energy savings alone will pay for the cost of labor and begin generating unobligated savings to the village within a projected 18 months.

ADMINISTRATION, COMMUNICATIONS & RECREATION – Trustee Sue Small
Trustee Small will table the motion to purchase a laptop computer until she has obtained additional specs and pricing.
MOTION: Trustee Small Moves: To approve a donation to the Argo Band & Orchestra Fundraiser in the amount of $200.00.
SECOND: Trustee Sparr
VOTE: Trustees Sparr, Symonds, Rusch, Kuban, Oszakiewski and Small, aye. All ayes. Motion passed.

Trustee Small reminded all that due to the short month of February, the second committee meeting of February usually occurring on the Wednesday before the second board meeting will be held at 6:30 pm prior to the regularly scheduled board meeting of February 27th, 2017, due to a conflict with police court. Both board and committee meetings will be back at the village hall.

We will be distributing Scholarship Applications to the schools for use by graduating seniors who reside in Justice and will attend college in the fall who wish to apply. Applications will also be available on the website.
