PUBLIC COMMENTS:
A multi-family owner (Catherine) asked how an ordinance can be amended. Attorney Cainkar informed her that only the village board can amend an ordinance and if she has an issue with our codes she needs to discuss her issue with the appropriate board liaison.
She feels it is unfair that all commercial and multi-family property owners must provide a contract and an annual inspection for rodent control. Residential property owners do not have to do the same.

After considerable discussion with the Mayor explaining how and why the requirement was enacted she was referred to Trustee Rusch for any further discussion on the matter.

**ADJOURNMENT:**

**MOTION:** Trustee Symonds Moves: To adjourn.

**SECOND:** Trustee Sparr
