PUBLIC COMMENTS:
Mr. John Small asked how the Safety Grant Funds could have been misspent.

The funds were appropriated through IPRF and approved for the purposes for which they were spent. They were not misspent. The reallocation is just that. Changing an expense previously approved for payment by the grant to a departmental expense.
Mike Maruszak commented that the bus stop at 79th Street and 88th Ave. has been moved due east, further down 79th Street to the location of the old, closed gas station. He feels it is unsafe and no notice was given to the riders.

Mayor Wasowicz said we would reach out to PACE for an explanation for the change.
