Last Tues. six candidates for Economic Development Commissioners were interviewed. Each of the six brought a unique perspective to the table. It was decided that all six candidates will proceed to the training phase of the creation of the commission.

The proposed commission members are: Joe Davern Jr., Fran Mills, Orley Betcher, Mariola Zygmunt, John Kopecki and Wally Dziechiowski. All are residents of Justice or Justice business owners, and in some cases are both.

On May 3rd and 10th training for elected officials, department heads, employees, Economic Development Commissioners and Zoning Board members will be provided by the very esteemed professional instructors. The public is welcome to sit in and observe the training that will occur from 9:00 am until 1:00 pm on those two Saturdays.

**BUILDING, PLATS AND ZONING – Trustee Rich Sparr**

Trustee Sparr had no formal report but stated that he is pleased to see our financial picture so improved and healthy; he is looking forward to our next season of street repairs.
ATTORNEY’S REPORT:  Attorney Joseph Cainkar
Attorney Joe Cainkar had no formal report.

CORRESPONDENCE:
There was none of note.

OLD BUSINESS:
Trustee Rusch stated that he and Trustee Symonds had an opportunity to speak to a paving professional at the recent SWCM Expo and were informed that using asphalt grindings to perform repairs without some type of emulsion will not work. Some type of emulsion must be used with the grindings once they have been heated in our hot-box.

Having been provided with rough estimates of up to $240,000.00 for replacement of our lift stations, we have been diligently saving for just that eventuality. Recently we had another evaluation of the pit, electronics and pumps and were surprised to find out that with some re-tooling, new or re-built electronics and new and different types of pumps, we are able to rebuild those stations for under $30,000.00. This is truly a win/win for our village. We will now be able to direct that considerable amount of saved monies to other appropriate projects.

PUBLIC COMMENTS:
Mrs. Liz Chicola asked about the municipal aggregation renewal and if we would continue the rate we are paying now.
Mayor Wasowicz replied that our current aggregation rate is good through August. Com Ed’s rates have come down considerably and there is no longer the spread there was on an aggregated rate. We may only be able to save a penny per kilowatt at this next round. We will look at the bids that come in and then act accordingly.
Trustee Small added that no matter what, we will never exceed the Com Ed rate or we will be placed back with Com Ed per our aggregation agreement.

Mr. Joe Davern announced that he will be celebrating the two year anniversary of Davern’s Tavern this weekend and he hopes many of us will stop in for the festivities.

Mrs. Edwina Gaskin stated that the dumpster is back on the street on 86th Ave. where the owners were previously informed that it is not allowed. Also, she asked if anyone can just park multiple vehicles in their front yard. Are there regulations about parking in front of a house? Can someone just lay stone and park in the area directly in front of a house.
The building department staff will check on her complaints.

Mrs. Gaskin added that the pot holes at 86th Ave. right off of Archer are horrible.
Cold patching started on Friday and as soon as possible we will be doing hot patching.

ADJOURNMENT:
The Chair will entertain a Motion: To Adjourn.
MOTION: Trustee Sparr so Moves.
SECOND: Trustee Small
